

HAMRA MANAGEMENT COMPANY

PAYCOR INTEGRATION USE CASE

Overview

Hamra Management Company is a franchisee of 70 Panera Bread locations across the country. TAP Innovations is a premier system integrator and will provide integrations between Paycor and a second business system for employee data. Process automation will replace manual efforts and errors in updating, processing and preparing Panera Bread employee data for payroll.

Business Challenge/Problem

Hamra is a Panera Bread franchisee and manages employee data in a Panera Bread system, while also implementing Paycor for human resources management. Managing employee data changes manually is time-consuming with gaps in data continuity and lack of integration into the Paycor human resources system.

TAP Innovations' Solution

TAP Innovations will extract employee details and perform data validation techniques prior to downstream processing. Bad records with incomplete or incorrect data will be identified and the Hamra team will be notified to take action. Additional digital tools and functionality include:

- iHRS integration
- Secure File Transfer Protocol (SFTP) setup
- Data extraction and validation
- File standardization to match Paycor and Panera Bread system requirements
- Process automation

Key Digital Tools

TAP Innovations is a premier systems integrator and customer implementations expert for HR, CRM, Financial, LMS, POS, and Healthcare (EMR and PM) software companies. Solutions are easily scalable and repeatable across multiple industries including franchises:

-  Bi-directional integrations
-  Bulk data loads to transfer historical data
-  Data transformations
-  Actionable Information through reporting & analytics
-  Data capture
-  Easily scalable and repeatable across franchises
