Solve Your Technology and Business Challenges:

- System integration
- New technology system or application launch
- Transferring historical data like employee, time, and labor without manual file uploads
- Data conversions
- Manual efforts, processes, and reliance on spreadsheets
- Delays in system implementations
- Applicant Tracking System
- Connecting Learning Management System

Making a Difference Today

HCM Unlocked and TAP Innovations are partners and experts in helping companies efficiently transition their HCM technology. Whether you have a few, or tens of thousands of employees, choosing the right platform and managing employee data accurately is critical to your success.

- HCM system integration
- System-to-system employee data transfers
- Confidential data transfer management
- Actionable analytics and insights
- HR technology advisory services

With most companies using less than 10% of their software capabilities, HCM Unlocked successfully fills the knowledge gap by helping businesses implement, optimize and utilize their payroll and HR technology through strategic partnerships.

"TAP Innovations is the right partner for us to make technology system implementation processes more efficient, which we know can require complex problem-solving."

- John Wallace, HCM Unlocked CEO

Dependable tools and services are affordable and customized for each customer. TAP Innovations connects clients with tools and solutions for a seamless integration experience, faster go-live, and increased client satisfaction. Together, HCM Unlocked and TAP Innovations make HCM implementations successful.
