

PIPELINE COMPLIANCE COMPANY

HR SOFTWARE VENDOR INTEGRATION USE CASE

Overview

A leading provider of custom and integrated pipeline solutions across oil, gas and energy industries needed a solution to integrate Vista Point of Sale System (POS) and their new HR software application. **TAP Innovations is a premier system integrator and automated data processes to extract, transform and transmit employee data in 2-3 weeks!**

Business Challenge/Problem

Employee data is managed in multiple systems, Vista Point of Sale System (POS) and an HR software vendor. The lack of integration between the two caused manual efforts and spreadsheets to keep track of employee changes. Looking to automate data capture and access for streamlined employee data management, this company chose TAP Innovations to spearhead their system integration efforts.

Digital Tools

TAP Innovations is an integration expert and in a matter of weeks, closed their system integration gap with digital tools and customized automated processes.

1. HR vendor software integration for employee changes
2. Data extraction
3. Data transformation
4. Record processing and export
5. Customize frequency for new automated processes
6. Ongoing service and maintenance
