## STAFFING USE CASE

### Strategic Partner in Staffing and Employment Needs

Our reliable and flexible global resource network can find quality and affordable resources for any IT, technical, support or project team within days. And unlike most staffing/recruiting firms, TAP Innovations is able to provide resources for short and fractional engagements. Our staffing model keeps your risk low and your reward high!

TAP Innovations was able to align the right resources with this organization's goals and objectives.

### Overview

NomiSo is a market leader in product engineering and intelligent automation. A concentration on people and their development enables a unique culture and solutions offering for NomiSo. Needing immediate filling of open positions, NomiSo turned to TAP Innovations and its staffing division to provide high quality candidates that match the culture and vision for NomiSo employment.

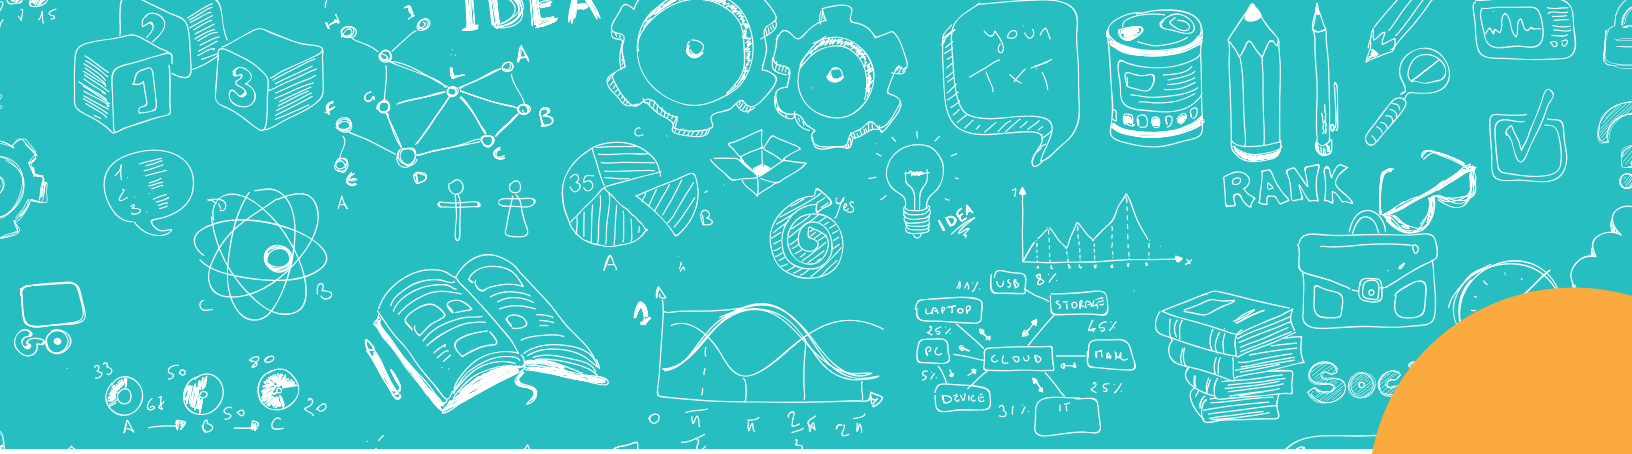

### Business Challenge/Problem

NomiSo has several open IT positions including cloud architects and java developers, and TAP Innovations was enlisted as a staffing partner to fill these positions.

### Staffing ROI

Outsourcing employment recruiting frees up significant time and resources for HR teams. When presented with high quality resources, the onboarding process of accepted candidates can be completed effectively.

## TAP Innovations' Staffing Solutions

TAP Innovations is a trusted partner in staffing needs with the ability to find high-quality resources quickly and affordably. Through the TAP Innovations network of qualified candidates, NomiSo will receive applicants that align with their company culture and job requirements.
