

PREMIER INTEGRATION SOLUTIONS

ACCELERATED PAYCOR LAUNCH AND BUSINESS REVENUE

Overview

Does your Paycor implementation need an integration solution to avoid manual efforts and workarounds for exchanging data between systems? TAP Innovations solves data transfer gaps through system integration, with one customer launching in as little as one week! Paycor customers launch the HR system quickly and highly recommend TAP Innovations for their data transfer, integration and transformation needs thanks to successful startup experiences.

TAP Innovations solutions are scalable, repeatable and affordable for Paycor customers. Because of the quick and cost-effective success of implementations with a Panera Bread franchise, Urban Air Adventure Parks, and many others, TAP Innovations is expanding quickly with premier integration solutions and support services.

Integration Challenges

Learning Management Systems (LMS) or Point of Sale (POS) systems need quick integration for customers to complete their implementation. Customer challenges include:

- Inability to transfer historical data like employee, time and labor, without manual file uploads.
- Data manipulations and transformations.
- Manual efforts, processes and reliance on spreadsheets.
- 8+ weeks and resources cost added to implementations.
- Unexpected budget increases.

TAP Innovations Solutions

TAP Innovations fills integration gaps for a growing list of Paycor customers.

Challenges can include:

- Automation for payroll data feed processes for **Rolling Dough, a Panera Bread franchise** through POS integration.
- LMS integration for the **Urban Air Adventure Park** Franchise system saved 8 weeks in implementation time.
- Louisiana Service Reporting Systems (LaSRS) integration automates file loads and data transformations for **OPTIONS, Inc.**
- Automated processes to extract, transform and transmit employee data were launched for **LineStar Integrity Services in 2-3 weeks!**
- **Circle of Care** has automated processes to convert timesheet data through data transformation solutions.

Customizable integration solutions are scalable and repeatable across franchises, and bundled integration through Paycor accelerates implementations!

"We began to implement Paycor HR system and quickly uncovered manual work to transfer our employee data. Thanks to TAP Innovations and their integration solutions, our payroll processes have improved significantly!"

Jamie Guidry Finance Director, OPTIONS, Inc.

"Our Panera Bread franchises needed improvement in how we process payroll, so removing a lot of manual efforts and redundant work was a big priority. Thanks to TAP Innovations, our 70 locations across the country process payroll more efficiently now that data flows between our Paycor and HR business systems automatically!"

Maryjo Kiser, VP Benefits & Compensation at Hamra Enterprises

TAP Innovations Solutions

TAP Innovations is a premier system integrator across the HR industry and beyond with cloud-based solutions delivered in 2-8 weeks:

Bi-directional integrations

Bulk data loads to transfer historical data

Data transformations

Actionable Information

Data capture

"With TAP Innovations, our new hire data is automatically transferred from our Paycor HR system into our Toast POS which saves our employees time and speeds up the onboarding of new team members. TAP Innovations solutions have been a tremendous help in eliminating manual processes!"

Honeygrow

Partnership Expansion

TAP Innovations connects POS systems with HR/Payroll software. Manual processes like transferring employee, time and labor data become automated and efficient. **Paycor customers like the simplicity of implementation, deliverables and speed to market with affordable solutions.**

TAP Innovations is a premier system integrator, connecting thousands of users to accurate, actionable and real-time information. Be sure to check our website, www.tapinnov.com for ongoing updates on TAP Innovations and Paycor customer implementations.
