

IT STAFFING SOLUTIONS

Do you need high quality IT resources? TAP Innovations can fulfill your technology resource gaps for short-term project management or longer term needs.

“Amazingly, TAP Innovations found an iOS Engineer in 2 hours and then our problem was solved by the engineer within 3 hours! Wow!”
– App Consultant

With IT staffing solutions, organizations can expect:

Resources for all types of projects and for any amount of time. Flexible, fractional or full-time support

Support for business operations 24/7

Cost-effective and budget-friendly

App development in all languages including database administration (DBA), website, project management, Telco, system admin, ETL, reporting, RPA, architects, UCaaS, QA/Testing, business analysis, network, IT strategy/fractional leadership, desktop

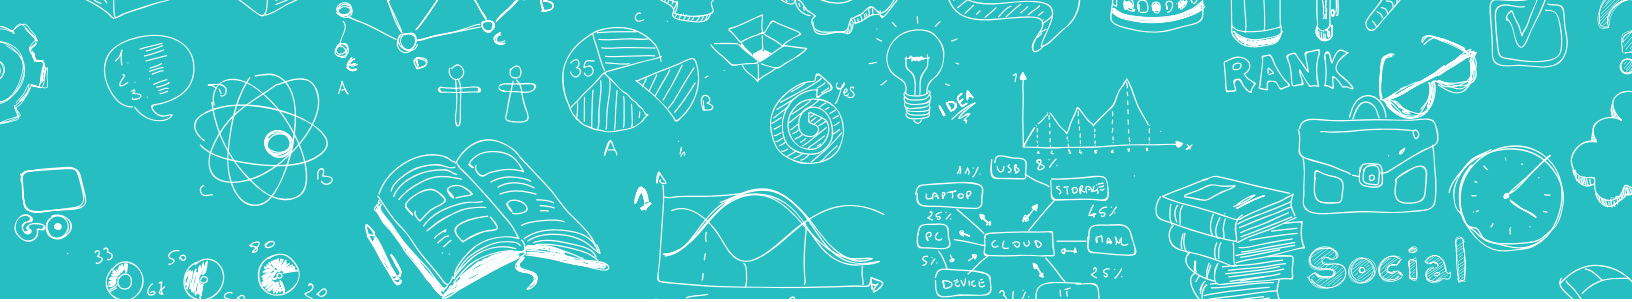

Fulfillment for immediate needs- our resources can start tomorrow!

Dependability, strong communication, deep technical skills and responsiveness

TAP Innovations has a growing network of individuals and resources to meet your staffing needs quickly and affordably.

Here are just a few of our happy staffing customers.

TAP Innovations was able to align the right resource with the organization's goals and objectives, in some cases, in just a matter of hours. TAP IT Staffing Solutions Staff in use today!

24/7 Database Administration (DBA)

"TAP Innovations provided a phenomenal fractional dba that helped consolidate, build and support multiple system databases, ETL process and a data warehouse for 100+ locations across the US"

- Senior Manager IT Operations

After-hours System Admin

"This avoided having our team work late nights and early mornings and provided great 24/7 support and coverage for us."

- VP of Infrastructures

Complex Application with RPA

"TAP Innovations was able to put together a great AppDev team with RPA skills in just a few days to build a system that did not have off-the-shelf options."

- Director of Applications

Contact TAP Innovations today for your fractional, after-hours and 24/7 IT resources! Email us: tapstaffing@tapinnov.com.
